# PerformanceCenter™

## Maximize Your Software's Full Potential

Mitchell 1 PerformanceCenter provides the professional training you need to automate your processes and grow your business. PerformanceCenter provides the ability to learn the Shop Management software at your own pace with the support of our training experts, and feedback from other Shop Management users. Mitchell 1 will help you unlock the software secrets to being more efficient, professional, and profitable all while using your Mitchell 1 Shop Management software.

### PerformanceCenter...Free Services

#### Live Online Orientation

Get started on the right foot by attending a Shop Management Orientation Webinar using the Internet and telephone (complete schedule).

#### ManagerForum

Your first stop for tips and shared information on using the Shop Management software to run your business.

#### Free Learning Modules and Certification

Improve your expertise by watching 30-minute learning modules. Become "Shop Management Certified" by passing six module quizzes.

#### Quick Answers

Get fast help with a user-friendly database of answers to popular questions along with support tech tips.

### PerformanceReporting...Premium Services\*

#### Daily E-Mail

Measure and Track your business' progress every day by simply reading your e-mail.

#### Industry Benchmark Data - New!

Ever wonder if you're the only shop in town who's having a slow month? See how you compare to other shops nationwide or in your same zip code.

#### Online Diagnostic Reporting

With a click of your mouse you can analyze trends for your shop and look at your business from a new point of view.

### PerformanceCenter Certification

By completing the quizzes at the end of each learning module and requesting your certification, you'll receive official notice of your newly acquired Shop Management software certification.
